15th Annual "Festival of Trees"

Tree Sponsor Information Letter

Onslow Caregivers, Inc. is planning our 15th annual "Festival of Trees" and invites you to be a part of this joyous occasion. The "Festival of Trees" is the major fund raising effort during the year by Onslow Caregivers Inc., a private 501 (c) (3) nonprofit organization that was formed in 2001 to help augment the services to Onslow County Home Health and Hospice patients. This annual event provides funds for medicine, medical supplies, food, utility bills, housing, transportation, burial needs and other needs identified primarily, but not limited, to the staff of Onslow County Home Health and Hospice. We continue to hope and plan with our community every day in working to help contribute all that is possible in the immense process of having a hospice house in Onslow County.

The "Festival of Trees" is scheduled to be held in the American Legion Building at the Fairgrounds on November 18-19, 2017. **Setup and decorating of the trees will be only on Friday, November 17. From 10:00am – 7:00pm. The festival will be open to the public November 18 & 19.
