15th Annual “Festival of Trees”

Silent Auction Information

Onslow Caregivers, Inc. is planning the 15th annual “Festival of Trees” and invites you to be a part of this joyous occasion. The “Festival of Trees” is the major fund raising effort during the year by Onslow Caregivers Inc., a private 501 (c) (3) nonprofit organization that was formed to help augment the services to Onslow County Home Health and Hospice patients. This annual event provides funds for medicine, medical supplies, food, utility bills, housing, transportation and other needs identified primarily, but not limited, to the staff of Onslow County Home Health and Hospice. We continue to hope and plan with our community every way in working to help contribute all that is possible in the immense process of having a hospice house in Onslow County

The “Festival of Trees” is scheduled to be held in the American Legion Building at the Fairgrounds on November 18 & 19, 2017. The Silent Auction will run November 18 & 19. With the support of local businesses, churches, organizations, civic groups and private individuals, Caregivers is hoping to turn this building as always into a winter wonderland.

You can participate in this year’s Festival by donating items from works of art, gift baskets, antiques, gift certificates, sports memorabilia, Christmas gifts, collectibles and any unique items for the Silent Auction that attendees can bid on. ***If you would like to help home health and hospice patients by joining Onslow Caregivers, Inc. in their Festival, please complete the attached Silent Auction form.*** Please return the form with your donation that is tax deductible as soon as possible with the deadline date being November 1. Our committee members will pick up your donated items upon request.
