

Onslow Caregivers, Inc.
"15^h Annual "Festival of Trees"
Sweet Shop Donations

Dear Friends and Supporters:

Onslow County Caregivers, Inc. is planning the 15th Annual Festival of Trees and invites you to be a part of this joyous occasion. The Festival of Trees is the major fund raising effort during the year by Onslow Caregivers, Inc., a private 501 (c) (3) nonprofit organization that was formed to help augment the services to Onslow County Home Health and Hospice patients. This annual event provides funds for medicine, medical supplies, food, utility bills, housing, transportation and other needs identified primarily, but not limited to, the staff of Onslow County Home Health and Hospice. In 2014 we began the immense process of accomplishing our vision to build a hospice house in Onslow County.

The Festival of Trees is scheduled to be held at the American Legion Building on November 18-19, 2017. As always, with your support Onslow Caregivers, Inc., will turn this building into a winter wonderland. Please remember that since Onslow Caregivers, Inc. is a non-profit charitable corporation, all donations are tax deductible according to state and federal laws.

Our Sweet Shop is looking for donations of baked goods such as pies, cakes, cookies, cupcakes, etc. To accommodate past patron's requests, we would like also to have some baked goods that contain no sugar added, sugar free/sugarless or made with your chosen sugar substitute. We look forward to you joining with us and helping us reach our mission.

If you need additional information or have questions please contact Elly Webb or Wanda Elliott. Thank you in advance for your community support!
